

## President Asks Truce In Soft Coal Dispute

### Would Set Fact-Finders To Work

Washington, Jan. 31.—(AP)—President Truman stepped around the Taft-Hartley act today with an appeal to miners to resume soft coal digging next Monday for 70 days and submit their case to a presidential board.

He made the fact-finding proposal also to spokesmen for the nation's coal operators.

Asking both sides to let him know their answer by 4 p.m. central standard time Saturday, Feb. 4, the President made his telegram sound much like an ultimatum.

Did Not Mention T-H Law

He did not mention the Taft-Hartley law and its provision for injunction in cases of national emergency. In fact his language skirted carefully around the question of the existence of an emergency—a thing that he had denied existed up to this point.

But he did urge John L. Lewis, United Mine Workers chief, and the operator spokesmen to accept his proposal "in the national interest."

He told them that while it is "national policy" to foster voluntary labor settlements and avoid compulsion, nevertheless:

"The government can no longer stand by and permit the continuance of conditions which have now come to have such a serious effect upon the public interest."

For his 70-day truce the President spoke of "normal" coal production. That would rule out the three-day week which most coal miners have been working, as well as the sporadic full-scale strikes which had more than a fourth of the 400,000 UMW members idle today.

Mr. Truman's proposed board, to be named by him, would be made up of three citizens "representing the public," with none from industry, government or labor.

In one respect it would have powers beyond those of any board he might assign to the job in proceeding under the Taft-Hartley act.

While either party could reject the board's findings, Mr. Truman proposed specifically that it have power to outline in its report "the procedures and the grounds for a fair and equitable settlement of the current dispute."

A T-H board has no such settlement-proposing powers. It only finds facts.

Congressional reaction to the President's move was mixed.

Senator Taft (R-Ohio), one of the T-H authors, pretty well summed up the critical Republican view:

"It is obvious that the President's intention is to by-pass the Taft-Hartley act."

### Parts Of Hijacked Whiskey Shipment Recovered By FBI

Springfield, Ill., Jan. 31.—(AP)—Parts of a \$22,000 truck shipment of whiskey hijacked near Cairo, Ill., a month ago have been recovered in Oklahoma, Arkansas and Tennessee, the FBI said today.

James B. Poster, special agent in charge of the Springfield office, said a total of 17 or 18 men were arrested in Tulsa, Okla.; Little Rock, Ark.; and Memphis, Tenn. Some of the stolen whiskey was found in those cities.

Poster said cases were broken and the liquor was rewrapped. Recoveries were made in the last two weeks. The whiskey found in Tulsa, he said, was in the possession of a "dealer" there. The quantity located in Little Rock was in an abandoned truck.

The hijacked shipment enroute from Springfield to Cairo, consisted of 540 cases. Two men with guns drove alongside the truck Dec. 31, as it slowly mounted a grade, bound and dumped the truck driver on the roadside and took the vehicle and its cargo.

The stolen truck was discovered abandoned in Missouri a few days later.

### Record French Budget Approved

Paris, Jan. 31.—(AP)—The national assembly approved a record French budget for 1950 and simultaneously gave Premier Georges Bidault's coalition cabinet a new vote of confidence tonight, 301 to 284.

Thus ended three months of budgetary bickering and puffing.

Expenditures are listed in the budget at \$2,332,000,000 francs (about \$300,000,000) against receipts of \$2,118,000,000 francs, but the government has promised to make up the deficit by economies.

The opposition, including both communists and DeGaullists, needed 311 votes to put Bidault out of office.

## Army Prepares To Aid Sections Hit By Snow

By The Associated Press

The army released equipment for rescue missions in snow-locked sections of the Dakotas Tuesday and studied whether another "operation snowbound" is needed to relieve distress.

At the same time, the coldest weather in more than a half century, gripped areas of the Pacific Northwest. Temperatures sagged below freezing again in the southern citrus belt.

Parts of the Dakotas are buried under a 34 inch deep snow blanket, with drifts up to 10 feet high. Some rural families have been isolated since mid-December. An estimated 500 families are in desperate need of heating fuel in the sub zero cold.

Some families are running out of food. The army said one of the most critical spots is the town of Edgely, N.D., where fuel is nearly gone.

The Red Cross designated as disaster areas four South Dakota counties and a 150 mile long and 50 mile wide stretch of North Dakota from Devils Lake to the South Dakota border.

Both the Red Cross and Gov. Fred Aandahl of North Dakota appealed to the army for vessels to reach isolated families. The army said eight of them would be flown in Wednesday morning from Illinois.

Fifth Army headquarters in Chicago announced an aerial survey was being made of the stricken area. This will determine whether army manpower and bulldozers from other states are needed.

An army reconnaissance plane, flying at tree top level, covered about half the North Dakota disaster area Tuesday—from Jamestown to Devils Lake. The army expects to complete the aerial survey Wednesday.

The decision on how much equipment and manpower the army will throw into the battle of the snow drifts will be made after that.

The army observer said he found all state roads open but all rural roads blocked. Many automobiles, virtually buried under snow drifts, were stalled on rural roads. Many farms were isolated but none gave distress signals. Livestock generally was safe in lots adjacent to buildings and no strays were seen.

However, a Fifth Army spokesman in Chicago said some hardest hit areas still remained to be surveyed. He said McIntosh county on the South Dakota border was one of the most critical areas yet to be inspected from the air.

New Delhi, India, Jan. 31.—(AP)—President Rajendra Prasad opened the Indian republic's first session of parliament today with a reiteration of the nation's neutrality in the East-West cold war.

The government's policy, he told the legislators, is "directed toward securing peace in the world and avoiding any alignment which leads to hostilities with any nation."

His government, he continued, is wedded to the Gandhian principles of peace and non-violence, both internal and external.

The frail 64-year-old disciple of Mohandas K. Gandhi was elected first president by the constituent assembly a week ago.

His policy of neutrality was reinforced by Premier Jawaharlal Nehru, who angrily told parliament that he was not pro-communist or "anti-this or anti-that."

"I may be soft to some, hard to others at times, but I dislike being pushed about or bullied," he declared. "I represent Asia when I say we are not going to be pushed this way or that."

"Some on the Anglo-American side call me communist, while some on the other side call me imperialist. This is the result of a sheer fear complex."

### AFL Says Private Builders Failing To Solve Housing

Miami Beach, Fla., Jan. 31.—(AP)—Leaders of the American Federation of Labor said today private builders are failing to "kick the housing shortage" and the government should step in with a middle-income aid plan.

The AFL's executive council endorsed bills in Congress to spur low cost cooperative housing and called for continued rent controls until the shortage is over.

"Clearly, the housing needs of American workers are not being met," the council's statement said. "It is housing production, while reaching a record of 1,019,000 units in 1949, still is behind production increases in automobiles and other consumer goods when measured against the rising population."

"The 1949 record still represents only two-thirds of the level that is necessary if we are to lick the housing shortage within the next decade," the council's statement said.

The AFL high command selected William McFerridge, president of the Building Service Employees International Union, as the AFL's 13th vice president and a member of the executive council.

### 3 Miners Trapped, Believed Killed In Fall At Mine

Williamson, W. Va., Jan. 31.—(AP)—Three miners were trapped and believed killed today by a fall at the Puritan Coal Corp. mine at Paragah, about seven miles east of here.

A spokesman at the company office said 10 or 11 others at the point of the fall escaped.

The missing men were identified as Lon Estep, 38, and his brother-in-law, Julius Brown, 27, both of Bias, W. Va., and Leo Crum, 40, of Ramey, W. Va.

Ambulances were rushed to the scene from Williamson. Word was passed to their crews, however, that rescuers did not expect to reach the trapped men before morning.

## French-Russian Relations Strained Over Indo-China

Paris, Jan. 31.—(AP)—France sharply warned Russia tonight that Moscow's recognition of the "rebel" Ho Chi-Minh in Indo-China gravely impaired Soviet-French relations.

French officials expressed fear the stage is being set rapidly for an east-west war for southeast Asia in the jungles of Indo-China. French troops have fought for four years in this area to stamp out the nationalist-communist movement led by the Moscow-trained Ho.

At least the potentialities for another guerrilla conflict like that in Greece seemed to be shaping up in the rich tropical country where the French are backing a rival regime headed by ex-emperor Bao Dai.

A foreign office spokesman summed up the significance of Moscow's action this way:

"When the Chinese communists under Mao Tze-Tung swarm southward to join Ho Chi-Minh against the French they will have Moscow back of them. Thus the battle lines will be drawn between the east and west for another war."

The spokesman predicted Britain and the United States now will speed official recognition of the Vietnam state headed by Bao Dai.

Thus the lines would be drawn in the diplomatic field as they never were in Greece. Though supporting Greek communist guerrillas, Moscow never gave them diplomatic recognition.

Chinese communists already are drawn up on the northern Indo-China border in position to give the secret or open military aid to Ho.

What remained to be seen was the military support that might be given to the French. The French were interested, however, in the comment in Washington of state department press officer Lincoln White that Russia's action unmasked Ho as "an agent of world communism."

The French note of protest to Moscow was delivered simultaneously to the Soviet embassy and British and United States embassy officials.

The note said Moscow's offer to exchange diplomatic representatives with Ho "violates the principles of international rights because the only qualified government of Vietnam is the French."

### Searchers Rescued As Plane Crashes In Frozen Yukon

Whitehorse, Y. T., Jan. 31.—(AP)—A rescue party brought five U. S. air force plane crash survivors to a military hospital today from the snowbound Yukon wilderness.

As the group struggled toward Camp McCreedy, dozens of American and Canadian airplanes continued for the fifth day to press the hazardous search for a missing air force C-54 with 44 persons aboard. It is the biggest search ever conducted in the far north.

The two-engine C-47 crashed yesterday while engaged in the mountain and tree top-skimming hunt for the bigger C-54. All of the six aboard survived.

But hope for survival of the 44 aboard the missing C-54 waned. The plane vanished on a flight from Anchorage, Alaska, to Great Falls, Mont., last Thursday after messaging that it had crossed from Alaska into the Yukon. Temperatures ran to zero and below.

Word that all aboard the C-47 that crashed in the search, had survived was brought from the wilderness last night by the pilot, Lt. Charles R. Harden.

With his face bashed and bloody, he struggled five miles through waist deep snow. After reaching the Alaska highway, he was picked up by a truck after signaling frantically with a flashlight.

### Tribune Publisher To Make Trip To Europe And India

Boynton Beach, Fla., Jan. 31.—(AP)—Col. Robert R. McCormick, publisher of the Chicago Tribune, today announced plans for a trip to Europe and India "to see how some of these countries are getting on."

He said he was looking for information, not adventure, and for that reason would make no attempt to enter so-called iron curtain countries.

The publisher says he plans to leave from New York Feb. 20 in his converted B-17.

His itinerary includes: Bermuda, Azores, Madrid, Barcelona, Athens, Cairo, Luxor, Saudi Arabia, Karachi, Bombay, Ceylon, Bangkok, Rangoon, New Delhi, Agra, Teheran, Ankara, Istanbul, Venice, Florence, Paris, Copenhagen, Iceland and Goose Bay, Labrador.

### WARNS WORLD MAY SOON BE OVERCROWDED

Chicago, Jan. 31.—(AP)—Mrs. Margaret Sanger, birth control advocate, said today that "if man keeps on breeding at his present rate, he will be so crowded on this planet he will have standing room only."

She declared a growing population is outstripping the ability of the world's land and resources to provide food and clothing, and is creating "tensions which lead to war."

She pointed to the Scandinavian countries as nations which have "a good balance between their population, and their land, and are the least communistic," she cited China as an opposite extreme.

She spoke at a news conference prior to an address before a planned parenthood association meeting. She lives in Tucson, Ariz.

## Illinois News Briefs

Princeville, Ill., Jan. 31.—(AP)—Mrs. Mary Bouton, 62, died today of burns suffered Saturday when a heat lamp she was using set fire to her clothing. She was the wife of Walter G. Bouton of Princeville.

Bellevue, Ill., Jan. 31.—(AP)—William H. Hale, who with his father founded the first dairy in near Peoria, died yesterday. He was 90.

Peoria, Ill., Jan. 31.—(AP)—St. Francis hospital handled 131 births in January, a new high. The old record of 286 was set in August, 1947.

Byron, Ill., Jan. 31.—(AP)—Herschel Lynn, Byron Post master for 15 years, will retire tomorrow at the age of 76. He formerly was superintendent of schools at Forreston.

Sterling, Ill., Jan. 31.—(AP)—Fire starting in the basement swept through Segneri Brothers grocery last night. Fire Chief Chris Dingler estimated damage at \$10,000.

Chicago, Jan. 31.—(AP)—A man tentatively identified as Cyrus Purdy, 61, of Wilmington, Ill., died last night an hour after he was stricken with a heart ailment on a loop district sidewalk.

A police rescue squad tried for 30 minutes to revive him before he was taken to a hospital.

Savanna, Ill., Jan. 31.—(AP)—Mrs. Lucy Jenks will observe her 95th birthday anniversary tomorrow. She has been a member of St. Paul Episcopal church here for more than 50 years and has been active in women's societies of the church.

Chillicothe, Ill., Jan. 31.—(AP)—Mrs. Lena O. Cushing, founder and operator of the Capital Laundry in near Peoria for more than 50 years until her retirement in 1939, died yesterday. She was 88.

She was the mother of the late Charles Cushing, former Peoria county treasurer and past president of the National Bowling association, who died in 1944.

Pekin, Ill., Jan. 31.—(AP)—Corn products refining company today pledged \$50,000 to the Pekin hospital building and expansion plan, a \$150,000 project.

Civic leaders are seeking to raise \$750,000, which will be matched by a contribution from the state and federal government. The Caterpillar Tractor company recently pledged \$100,000.

Springfield, Ill., Jan. 31.—(AP)—Last month was the wettest December in Illinois since 1895, the Weather Bureau reported today.

Precipitation for the state averaged 4.72 inches, virtually all of it in the form of rain. Snowfall was light, with most central and southern areas recording less than an inch.

The average temperature of 35.7 degrees was 4.5 degrees above normal.

### Here's How Scientists May Try To Make Super-Bomb

Washington, Jan. 31.—(AP)—Now that President Truman has directed his atomic team to try to develop a hydrogen bomb, the attempts may follow one of two lines:

1. An effort to short-cut the process by which the sun and other stars get their titanic energy—through the "fusion" or combining of hydrogen atoms to form a new substance.

2. "Bombardment" of the element of lithium with hydrogen atom nuclei. This reaction conceivably would take place in a compound containing the two.

In either case, it may be presumed that an orthodox atomic bomb of uranium or plutonium would be necessary as a "booster" or "primer" to generate temperatures sufficient high to touch off the super-explosive.

Various estimates of the potential power of such a bomb range up to 1,000 times the power of uranium or plutonium bomb. One scientist has speculated unofficially along these lines:

"That barring the 'ignition' of the hydrogen in the rivers and oceans, the only limitation on the destructive capabilities of a 'fusion' bomb would be the weight of explosive material that could be handled practically and delivered on a target."

The energy that we live by—radiating across 93,000,000 miles of space—is generated in the sun by the fusion of ordinary hydrogen, with the aid of other chemicals, such as carbon and nitrogen.

The end result is to convert the "heavy" hydrogen into another element, helium—while at the same time tremendous atomic energy is released. But this process on the sun takes eight hydrogen.

the government which has been constituted by his majesty, Bao Dai, to whom the French government has transferred the rights of sovereignty which it held previously."

The note said Russia was encouraging a "rebel movement" against France and that the character and consequences of the Russian initiative could not be underestimated.

Washington, Jan. 31.—(AP)—Unless congress orders otherwise, the government is going to throw away about 50,000,000 bushels of surplus potatoes acquired under the farm price support program.

The potatoes cost the government an average of about \$1.25 a bushel. Counting the throwaway and other potato operations on which it took losses, the government stands to lose a total of \$80,000,000 to \$100,000,000 on last year's spud crop.

It lost nearly \$250,000,000 on the 1948 crop, however.

Secretary of Agriculture Brannan broke the bad news today to the Senate agriculture committee.

Brewster said the matter is of "great concern" to his state. At one point he flared up with the complaint that Brannan was making a "goat" of the potato program.

Up to its waist in potatoes, the Department of Agriculture has been trying to get rid of the surplus by giving them away for school lunches, to local and overseas relief agencies, and by diverting them for livestock feed and the manufacture of alcohol and starch.

Even so, Brannan figures he's going to have close to 50,000,000 bushels left over.

The cheapest way to get rid of them, he advised congress, is to dump them locally where they are raised. He didn't go into details, but this could mean piling them up in fields to rot, or burning them, or spraying dye on them so they could not be diverted into the market.

Senator Anderson (D-NM), who preceded Brannan as secretary of agriculture, said congress ought to do one of two things: Let the department control production by limiting the number of bushels that could be grown, or simply drop the whole potato price support program.

As the law now stands, the department has to support potatoes at not less than 60 per cent of parity, which is a legal standard for measuring farm prices designed to give farmers the same purchasing power they enjoyed in past years. The department's support operations now are being carried out at the 60 per cent of parity figure.

### Big Mo Refuses To Budge As 2,000 Men, 23 Tugs Pull

Norfolk, Va., Jan. 31.—(AP)—The battleship Missouri proved again today she's the heavyweight of the U. S. fleet by refusing to budge off her Chesapeake bay shoal.

The stranded giant sat forlornly proud in the mist and fog at dawn unmoved by efforts of tugs, tide and the Navy's best salvage brains.

Two thousand men, 23 pulling and nudging vessels and the big Missouri power winches took part in the straining effort.

But it wasn't enough to move the 45,000-ton battleship. It looked to salvage officers like a big rock may have dented her bottom, and held her hooked like a snafu faster.

Tomorrow at 7:30 a.m., at another high tide, announced Rear Admiral Allan E. Smith, overall salvage chief, the Missouri will be urged again to drag her two-acre bottom the half mile into safe deep water.

She left the buoy-marked confines of the channel on January 17 and scraped along for a distance three times that of her 888-foot length before sitting down—hard—off thimble shoal light.

Smith made the decision to knock off today after the tug fleet had beat the water of bay in vain for 10 hours and 50 minutes.

Undaunted, though, he told reporters aboard:

"There's no question about the Missouri getting off. It will just take more careful planning and hard work."

### U.S. Steel Corp. Boosts Dividends On Common Stock

New York, Jan. 31.—(AP)—Directors of United States Steel Corp. boosted the dividend on its common stock to 65 cents from 50 cents a share today on the basis of 1949 earnings that were the highest in 20 years.

The corporation's net income last year was placed at \$165,958,806, equal to \$5.39 a share, despite a 42-day strike, the direct cost of which was estimated by Chairman Irving S. Olds at \$30,000,000.

Olds told a news conference, following the directors' meeting, that this estimate did not include any loss of income resulting from U. S. Steel's inability to make steel shipments during the strike period.

Directors made the 65-cent dividend payable March 10 to holders of record Feb. 10.

U. S. Steel, which produces about a third of the nation's steel products, reported its net income for the final quarter was \$32,735,397 or \$1.01 a share.

But it noted that this income would have been only \$6,700,000 except for "adjustments in accounts which had to be made because of the steel strike," which began Oct. 1. These adjustments boosted the income total by \$26,000,000.

### 16 States Of USI May Be Reduced Down To 3 Or 4

Jakarta, Java, U.S.I., Jan. 31.—(AP)—The state administration of Madura surrendered its powers to the federal government today, following the lead of East Java and West Java.

Republican agitation for reduction of the 16 states in the United States of Indonesia to three or four large states appeared to be bearing fruit. The old Indonesian republic, which led the fight against the Dutch for four years, became the dominant state in the United States of Indonesia when The Netherlands granted the East Indies independence six weeks ago. Premier Mohammed Hatta and the majority of his federal ministers are republicans.

Madura is an island of 1,700 square miles off Java's northeast coast. It was cut off from republican Java and placed under a Dutch sponsored state government after the first Dutch military offensive against the republic in 1947.

## Truman Gives Order For Making H-Bomb

### U. S. May Destroy 50 Million Bu. Of Spuds Super-Bomb To Be Made For Defense

Washington, Jan. 31.—(AP)—President Truman today gave the fateful order for development of the hydrogen super-bomb so that the United States may defend itself "against any possible aggressor."

Mr. Truman indicated that the nation's atomic scientists may already have started tackling the problem of creating a weapon far surpassing the destructive fury of the A-bomb.

The president said:

"I have directed the Atomic Energy Commission to continue its work on all forms of atomic weapons, including the so-called hydrogen or super-bomb."

"Forward For Peace"

"Like all other work in the field of atomic weapons, it is being and will be carried forward on a basis consistent with the over-all objectives of our program for peace and security."

Reputedly eight to 1,000 times more devastating than the atomic bombs dropped on Japan during World War II, the H-bomb has been the subject of behind-the-scenes debate for at least four months.

The cost of producing the new super-weapon has been variously estimated at \$100,000,000 to \$4,000,000,000.

Mr. Truman said he gave the historic order because "it is part of my responsibility as commander-in-chief of our armed forces to see that our country is able to defend itself" against any attack.

He said he has directed the AEC to press forward with the development of atomic weapons, including the H-bomb, "until a satisfactory plan for international control of atomic energy is achieved."

Atomic Groups Get To Work

Within two hours after Mr. Truman's announcement, the Senate House atomic committee set to work with the federal Atomic Energy Commission (AEC) to chart "ways and means and plans" for building the H-bomb.

Chairman McMahon (D-Conn.) told newsmen "the utmost speed is necessary," but he did not explain why.

Mr. Truman's announcement clearly took committee members by surprise. The president had said last week that he alone had the power of decision—a statement which rattled some lawmakers—and there were indications today that the committee had not expected a presidential announcement before next week.

The committee had been expected to make its own recommendation in a few days, and there were suggestions that Mr. Truman had "jumped the gun."

Though Chairman McMahon told reporters the president's decision met with the "unanimous approval" of the 18-member congressional committee, Rep. Cole (R-NY), a committee member, quickly issued a statement blasting the decision. He said it usurped congressional authority and that the president had "pushed" a chance to take the leadership in a movement to halt the "mad race of modern science toward more and greater weapons of destruction."

### 21,000 Goodyear Tire Co. Employees Get \$100 Pensions

Akron, O., Jan. 31.—(AP)—Twenty-four thousand more American workers now a \$100 minimum monthly pension plan today as the Goodyear Tire and Rubber Co. came to terms with the CIO-United Rubber

## Belgians May Reduce Death Sentences

Brussels.—(P)—Many Belgians sentenced to death for wartime collaboration with the Germans may have their sentences reduced to life imprisonment following recent recommendations by a parliamentary commission. The commission recommended that men who were sentenced for purely political crimes should have their death penalty reduced to at least life imprisonment. These men form a good percentage of nearly 200 ex-collaborators now in jail with a death sentence hanging over them. Many date back to 1945 but were never carried out. This was due to the Belgian policy of rarely putting criminals to death except for something odious.

## 9,000 Chickens In One House

Amboy, Ill.—(P)—John Kileman has figured a way to raise 9,000 chickens under one roof. He constructed an improved version of the circular "hen house." His 150-foot diameter building is pie-cut into eight sections, each containing ultra-modern water feeding and nesting equipment. The floor slopes to the center drain for easy cleaning. A 16-foot center circle serves as a work area. A feed carrier mounted on a circle monorail suspended from the ceiling enables one man to tend the flock.

## Dogs Ride Motorcycles

Sidney, Australia.—(P)—In the far west of South Australia, where they don't figure sheep to the acre but reckon square miles to the sheep and young ranch hands are motor mechanics not horsemen, it is not unusual to see a motorcycle snorting along narrow, winding sheep paths with a dog standing on the pillion, its tail feathering in the wind, giving as good a display of trick riding as could be seen in any circus. When the rider halts the machine, the dog often a Border Collie, leaps away and, before a cigarette can be rolled and smoked, will muster a herd of 500 to 600 half-wild ewes and lambs from the dusty scrub.

## ASHLAND

Ashland—Mr. and Mrs. John A. Adkins, Mrs. Myrtle Work, Mrs. Nora Bailey and Mrs. Leta Hammack attended the golden wedding anniversary celebration held recently at the Fairview church near Saldora, for Mr. and Mrs. H. Abbott.

Joan Doolin is a patient in St. John's hospital, Springfield. Carroll Baker was released from St. John's hospital, Springfield, Monday evening, where he was a surgical patient.

Miss Leta Crews returned to the home of Mr. and Mrs. Lester Edwards Monday afternoon from a month's stay at St. John's hospital, Springfield, where she has had bronchial pneumonia.

Mrs. Jessie Spears is a patient in St. John's hospital, for observation, and Mrs. Lizzie Edwards is a patient in the Memorial hospital, Springfield.

Melvin Christianer, son of Mr. and Mrs. Arthur Christianer of this city, has been accepted as a student at the St. Louis University's Parks College of Aeronautical Technology. He is a 1944 graduate of the local high school and has served almost three years in the Army. Melvin is a candidate for a degree of Bachelor of Science in Aeronautical Engineering from St. Louis university.

## ASHLAND

Ashland—Jackie Wood returned to his home Wednesday night from the Memorial hospital, Springfield where he had his tonsils removed last Monday morning.

Walter W. Savage, Sr., was discharged from Memorial hospital in Springfield the middle of last week where he was a medical patient.

A potluck supper in the form of a farewell party was held in the basement of the Christian church Wednesday night for the Eugene Rust family who are moving to a farm a half mile from Athens in a few days. They were presented with a white Bible.

A son was born to Mr. and Mrs. S. S. Brownback Friday morning at St. John's hospital, Springfield. The baby weighed eight pounds, five ounces, and has been named Henry Oliver.

Mr. and Mrs. Glynn Jones left early Thursday for Tampa, Fla., for a few weeks' stay.

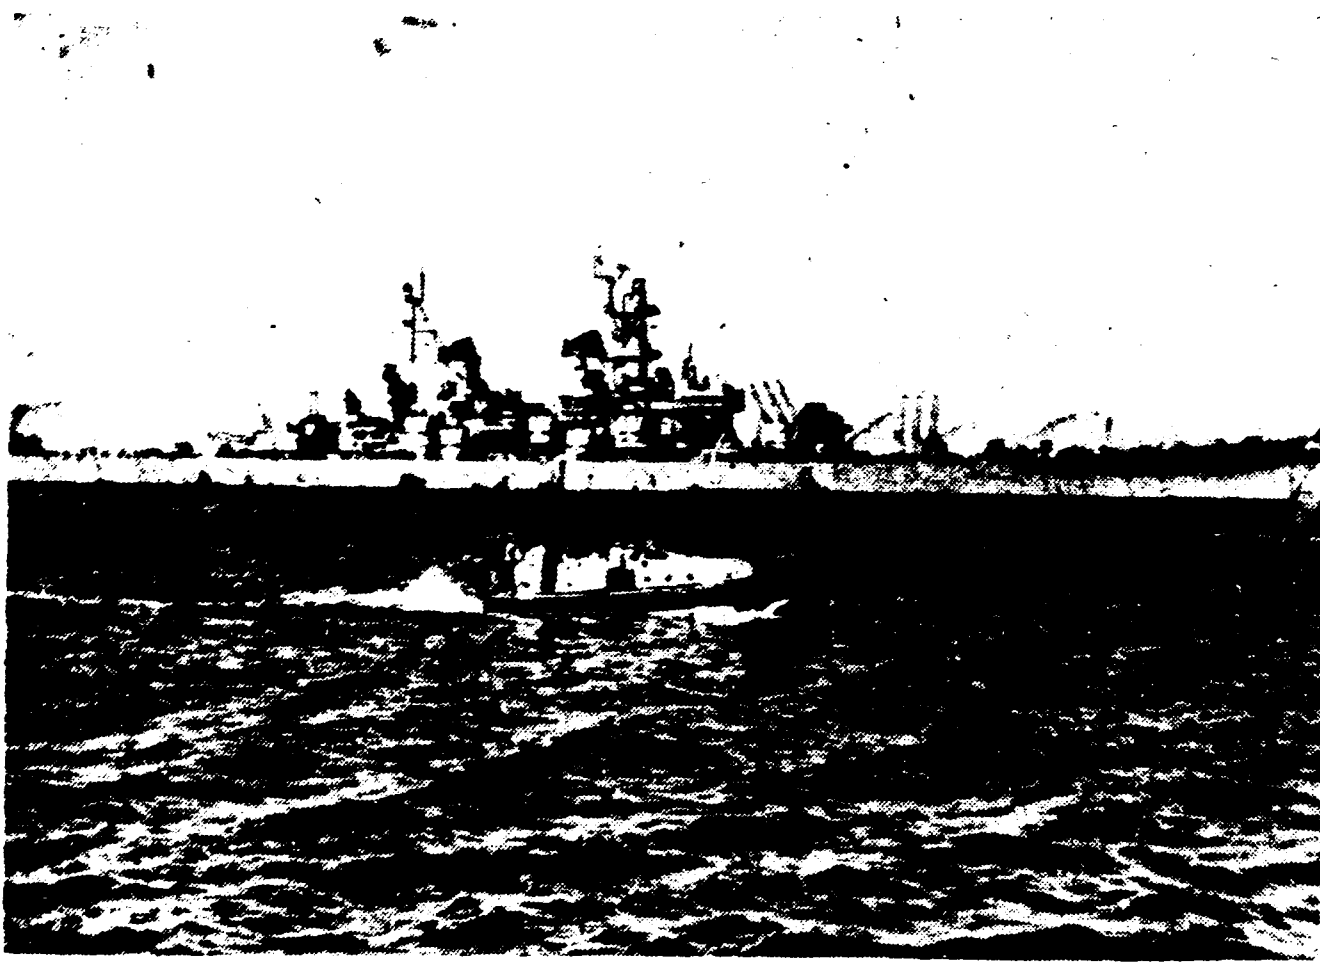

## Doctorate Loans Planned

Springfield, Ohio.—(P)—Wittenberg College's Board of Directors has established grants-in-aid to help promising young faculty members finance work on their doctorates. The College's annual budget will henceforth include \$2,500 for these grants, which will be made available to instructors as interest-free loans. These loans will be canceled in the case of instructors who earn their doctorates and remain with the college for five years thereafter.

## OTTO H. NIEMANN

Avowed Candidate, County Judge (Democratic Party)

Should we not "get along" what's the matter with you, anyway. (Political Ad.)

STILL STUCK SOLID—The USS Missouri, aground off Norfolk, Va., since Jan. 17, failed to move after dynamite charges were set off in the mud holding her. Here an officer's launch circles the big ship on a routine inspection.

## VIRGINIA

Virginia—The Walnut Grove club will hold an all day potluck meeting Feb. 8 at the home of Mrs. Richard Fanning. The program will be given by the "Girls of Yesterday," with a poem, "Those Golden Days," by Mrs. Walter Murphy. Mrs. Joseph Ohn

will assist the hostess. Mr. and Mrs. Elmer Jokisch spent Thursday afternoon with her mother, Mrs. Partha Miller, at Grand Villa, south of this city.

Mr. and Mrs. Harold Ore were business callers at Arenville last Monday. Mr. and Mrs. Ralph Launer spent

one day last week with Mr. and Mrs. Henry Ring near Jacksonville. Mr. and Mrs. Frank Brown and Mrs. Partha Miller were business callers in Jacksonville last week.

North American corn production in 1949 was 46 per cent larger than the 1935-39 average.

## World Market For Dried Milk

Davis, Calif.—(P)—There's a big world market for dried American milk if it tastes right, a dairy executive says. England, France, Italy, Greece and Poland are all short of milk. G. D. Turnbow, president of an Oakland dairy company, told recent meeting at the college of Agriculture here.

But, he pointed out, if these coun-

tries are to buy American dried milk it has to taste right, and they have to be able to earn enough to pay for it. And there's the political angle. "If we don't help get food to the underfed people of the world, democracy isn't going to live. Communism thrives on starvation," Turnbow said.

Only about one-tenth of American holly trees are female, producing berries.

Some cows require considerable "petting" to produce the most milk.

#### JUNIOR WOMEN'S CLUB TO MEET AT ASHLAND

Ashland—The Ashland Junior Woman's club will hold a business meeting Thursday, February 2, at 8 p.m. in the Legion Home. The speaker will be Mrs. Walter Adkins. Her subject is "American Citizenship." Mary Margaret Devlin will present several vocal selections. The hostess will be Juanita Moore, assisted by Mary Kay Gardener, Ella Mae Fields, and Marguerite Petefish.

The science of geography is due to a large extent to developments started by Alexander von Humboldt, a German scholar born in 1769.

#### They'll Do It Every Time

By Jimmy Hatlo

#### Ferret Strings Telephone Wire

Rapid City, S.D.—(AP)—A ferret came the one-day hero of the air force at the Rapid City air base key northern B-36 bomber out of a special harness rigged on the weasel-like animal, named "Pete," permitted him to string an important telephone wire six feet under the huge re-inforced concrete runway. Fuzzed engineers feared they would have to tear up the costly runway to lay the wire.

Finn Timmons, owner of the ferret, sicked him on the job of traversing the 2,210-foot conduit with an order, "Take it through, Pete." Pulling a string, Pete made it in 20 minutes the first run. On the fourth and final trip, it took the tired, 18-ounce ferret three and one-half hours.

The slim, slinky ferrets usually are used for rabbit and rodent hunting.

#### Baptist Mission Society To Meet At Carrollton

Carrollton—Miss Anna K. Williams of Jacksonville, a member of the Speaker's Bureau of the West-Central Baptist association, will be guest speaker at the meeting of the Missionary society of the Baptist church, which will be held Thursday, beginning at 10 a.m. in the church dining room. Miss Williams will speak during the afternoon program which will follow a luncheon given by the losing group in an attendance contest captained by Mrs.

G. K. Hutchens.

The winning group, led by Mrs. Laurel Grigg, will be guests of honor. The regular program will be held during the morning when Mrs. Herbert Harr will be the program leader, her topic being "Building a Bridge of Understanding." The devotional leader will be Mrs. Curtis Bishop.

Methodist Session Feb. 2  
The members of the W.C.S. of the Methodist church will be entertained Thursday afternoon at the home of Mrs. Stella Adams and Mrs. Ira Cumutt. The devotional leader will be Mrs. Delbert Driver and the program leader will be Mrs. C. S. Boyd, her topic being "The World Must Learn to Read."

The newly-organized Women's Group of the Presbyterian church will meet Thursday afternoon in the church with organization work still filling a greater portion of the afternoon program. Mrs. Dale Whitman is the chairman of the group.

of Granite City, visited Mr. and Mrs. James Walker Sunday.

Mrs. Mary Kelley of Jacksonville spent Thursday night with her sister-in-law, Mrs. Stella Copley.

Mrs. Genevieve Ashlock underwent an operation at a Peoria hospital last week.

Mr. and Mrs. Gerald Hagen and family were Sunday dinner guests at the Mervin Henry home at Roodhouse.

## Franklin Music Club In Meeting At Waverly Home

The Franklin Music club held its January meeting in Waverly at the home of Mrs. Mary Huson. The topic for roll call was "My Early Musical Training."

The program included "Welcome

to New Members," Mrs. Bohl: "Songs My Mother Taught Me," "I'm Tying the Leaves So They Won't Come Down" and "Twilight Is Falling," Mrs. Rees: "Music at Home, Including Music in the Franklin, Alexander and Nortonville Unit No. 1," Mrs. Thelma Crow: "First Piano Lessons and Illustrations," Miss Alberta Wise: "Valse No. 1," by Chopin and "Madriena" by Bach, Miss Wise: "Development of Music Appreciation in the Young Child," Mrs. Whalen: "Symphony Concerts Given at St. Louis for School Children," Mrs. Fitzhugh: "A Blackbird's Song" by Sanderson and "The Nightingale Has a Lyre of Gold" by Whitley. Mrs. Doolin: and "Current Musical Events Away from Home, in Springfield, St. Louis and Chicago," Mrs. Fitzhugh.

## Final Rites For Walter Ratliff Held At Ashland

Carrollton—Final rites for Walter Ratliff were held Sunday afternoon at two o'clock at the Gainer Funeral Home, with Rev. G. E. Wood, pastor of the Church of God, in charge. Two songs, "Going Down the Valley" and "The Old Rugged Cross," were sung by Mrs. Daisy Thompson and Miss Pearl Caswell, with Mrs. Leila Hammack at the piano.

Floral offerings were cared for by Flora Mae Tate, Helen Yancy, Virginia Edwards, Dorothy Cave and Marbell Wace.

Palbearers were Lee Guffey, Clarence Neese, Jr., Carl Ratliff, Jr., Pat Cox, Floyd and Charles Grogan. Interment was made in the Ashland cemetery.

## AUNT OF LOCAL WOMAN DIES MONDAY

Mrs. Fred Brockhouse, 924 West Lafayette avenue, has received word of the death of her aunt, Mrs. Carrie Vannice, which occurred Monday evening in Palmyra. Mrs. Rites will be held there Thursday afternoon.

Mrs. Vannice formerly resided in Meredosia.

## Miss Joan Lewis To Receive DAR Award At Ashland

Ashland—Miss Joan Lewis, daughter of Mr. and Mrs. Homer L. Lewis, of this city, has been chosen by the senior class and faculty of the local high school to receive the D.A.R. good citizenship award.

Miss Lewis is president of the F.H.S. and has held other offices in that group and the class of '50 since she entered high school. She reigned as snow queen at the annual snow fest this year.

A talented musician, Miss Lewis has represented her school in the district and state music contests with both vocal solos and ensembles.

Miss Lewis was a cheer leader in her freshman and sophomore years, has been on the school paper staff for the last two years; was in the junior play and directed "Show Business," which was presented on Jan. 17th. She has been on the honor roll many times and has received two scholarship letters.

## PITTSFIELD COMMUNITY SALE

Thurs., Feb. 2 12 NOON

In addition to our usual run of livestock, L. B. Willis, who has sold his farm, has consigned his livestock for this sale consisting of:

1 4-yr. registered roan Shorthorn cow with 250 lb. heifer calf at side. This cow is bred back to a registered bull.

6 purebred Shorthorn cows, three grade Shorthorn and white faced cows. Some of these cows have calves by side and the rest are heavy springers. This is an outstanding herd of dual purpose cows, that give a heavy flow of milk and are broke to milk.

1 Purebred 2 year springer Holstein heifer.

1 Registered Shorthorn bull, coming 4 years old.

1 Yearling Pol Shorthorn bull.

2 Purebred coming yearling heifers.

2 Sows with 13 pigs ready to wean.

28 Vaccinated Hampshire shoats about 65 pounds.

33 Vaccinated Hampshire shoats about 40 pounds.

We also have a lot of good double treated hogs, consigned from another individual.

Lots of posts, lumber and hay.

PITTSFIELD COMMUNITY SALE PITTSFIELD, ILL.

TWO MOOS LOOK ALIKE—Candy and Sandy, purebred Ayrshire identical twins at Amelia, N. Y. are exceptions to the rule that twin dairy cattle do not turn out well. They look alike, walk alike and moo alike. Now nine months old, the calves show signs of becoming top milk-producers. The unusual twins belong to Mrs. Dorothy Long.

### Pirates Purchase Young Sensation For \$100,000

Los Angeles, Jan. 31.—(P)—The Pittsburgh Pirates today paid \$100,000 for lefty Paul Pettit, 18-year-old high school lad from Long Beach, Calif.

It was reported to be the highest price ever paid for an untried rookie. The deal was announced at a conference between Roy Hamey, general manager of the Pirates; Frederick Stephani, film producer who figures in the odd transaction; Pettit himself and his father, George Pettit.

The powwow was held in the office of Albert Blum, business manager for Stephani.

Hamey said that the strapping youngster would pitch for New Orleans in the Southern Association this season and would join the Pirates in 1951.

Pettit stands six feet, two, weighs 205 pounds and was a sensation hurling for tiny Narbonne high school at nearby Lomita for the past several years. Hamey said that many clubs had tried to get Pettit and admitted the bidding came high.

Asked if \$100,000 was a good guess, Hamey nodded in assent.

Stephani got into the picture recently when he signed the boy under contract for possible movie acting for \$85,000. Under that contract Pettit received \$10,000 signing, a bonus of \$50,000 a three-year salary of \$18,000, \$5,200 for his father, who is a night watchman, and \$1,500 to his attorney. Even \$750 for a honeymoon, if and when he marries, was written into the pact.

## College Coaches On Illinois Grid Clinic Program

Champaign, Ill. — Charles "Bud" Wilkinson of Oklahoma and L. R. "Dutch" Meyer of Texas Christian will be headline speakers on program of the Illinois High School Coaches' spring football clinic at University of Illinois, April 28-29.

Wilkinson, named "Coach of the Year" for his achievements on the undefeated Sooners, will discuss his famed Split T offense in clinic lectures.

Meyer was to have appeared on the 1949 program but illness and subsequent death of his wife prevented his appearance. One of the Southwest's most highly respected coaches, "Dutch" will handle single-wing phases of the clinic.

Outstanding high school coaches from Illinois also will be added to the speakers' list. Bob King, clinic program chairman said.

## Sanford Signs '50 Yankee Contract

New York, Jan. 31.—(P)—Pitcher Fred Sanford, the New York Yankees' \$100,000 disappointment of 1949, signed his 1950 contract, club officials announced today.

Sanford came from the St. Louis Browns in the winter of '48 in exchange for \$100,000 and three players.

The hefty righthander, who won 12 games for the second division Browns in 1948, was able to notch only seven victories for the pennant-winning Yankees last year. He lost three games.

Augusta, Ga., Jan. 31.—(P)—Neighbors and the law—came on the run when Niketos Gerakis, who lives alone, shot five times through his bedroom door at 1 a.m.

They found him acutely ill—too weak, he said, to shout for help but strong enough to shoot for it.

Emergency hospital treatment pulled him through.

Babe Ruth's slugging percentage of .247 in 1950 still stands as a major league record.

Several dairy country members, linked by southern support of legislation repealing oleomargarine taxes, opposed the cotton bill.

The legislation would place a limit on acreage cuts which cotton farmers must take under the new acreage allotment act. It would provide more acres for planting by farmers who suffered the severest acreage reductions under the new program.

This is Charlie Speidel's 24th season as Penn State wrestling coach. He was absent only during war service.

## The Hands Have It

Gilbert Paul

The oversized hand that I.S.D. guard Gilbert Paul is sticking in the photographer's face may be a trick of the camera but the redheaded Tiger athlete has made believers out of several net opponents this season and may convert more before the schedule is out.

Using a left-handed push shot, Paul led Tiger scoring against Wisconsin. Deaf-made seven out of seven field goals—and against the Bluffs Bluejays in the PMBC tournament. His scoring, though sporadic to date, may become a habit and make the Westenders a threat for the Regional tournament title.

After an upset loss to Notre Dame, Kentucky bounced back to dump Xavier and Georgia, good enough to attract six firsts.

Six men rated Ohio State tops in the nation after the Buckeyes' 63-58 triumph over Minnesota. LaSalle subdued Temple, 6-51 for an important win. They drew five firsts.

North Carolina State (15-3) earned six first place votes by whipping past Louisville and Virginia Tech, moving up from tenth to ninth place.

City College of New York (10-2) ran over Muhlenberg, 95-76, for an impressive victory but fell from eighth to tenth place. The Beavers failed to land a first place ballot.

Only new member in the top ten is Ohio State, Indiana, idle all week, dropped from ninth to 12th.

Kansas State (12-3) placed 11th but picked up nine first place votes, third in that department. Others who were ranked No. 1 by at least one writer were Indiana (12-2), UCLA (13-4) and Toledo (14-3).

UCLA had four firsts, Indiana three and Toledo one.

Chapin Blasts Tallula 53-36

Tallula—The Chapin Bears recuperated from their tournament ills in time to rock Tallula 53-36 here last night.

Bob Ommen and Jimmy Bonds paced the revamped Chapin attack, scoring 18 and 16 tallies apiece.

The Chapin seconds won the first game 36-21.

Officials—Barniskus and Horvath, Springfield.

House Passes Bill On Cotton Acreage

Washington, Jan. 31.—(P)—The House passed and sent to the Senate today a bill allowing allotment of up to 1,400,000 more acres to cotton planting.

Several dairy country members, linked by southern support of legislation repealing oleomargarine taxes, opposed the cotton bill.

The legislation would place a limit on acreage cuts which cotton farmers must take under the new acreage allotment act. It would provide more acres for planting by farmers who suffered the severest acreage reductions under the new program.

This is Charlie Speidel's 24th season as Penn State wrestling coach. He was absent only during war service.

## FAN BREEZES

BY BOB MERRIS

From Phoenix, Arizona, where he's competing in another major golf tournament, comes a thank you note from Jerry Barber to his friends in the Jacksonville area who sent him wires of encouragement during the Los Angeles Open golf tournament.

The former Jacksonville boy led a field of big name golf pros through three rounds of the west coast meet but faltered at the finish line—after losing a day's work because of several golfers' allergy to rain—and wound up sixth.

Don Fairfield, who summers in Jacksonville, is in Phoenix this winter, also, and may be competing in a major golf tournament there this week.

"Buss" Hogan, ASA softball commissioner from Springfield, announced yesterday that the national regional amateur softball tournament will be held in Decatur next summer. The grapevine has it that Jacksonville's southside park may become the site of the state play-offs. The

student crowd spellbound.

After the score had changed hands several times in the fourth quarter, Coach John Chapman whipped a snappy pass to Coach Bob Kraushaar under the basket and the faculty led 42-40 with two minutes of play remaining. Dick Beasley tallied from the side for the Jacks and the ball game was all tied up. Tim Fennesse dumped in a lay-up shot for the oldtimers and again the faculty led, this time with one minute to go.

Jim Beck hit a nice chandler from the corner to knot the count at 44-41. Dick Flynn was awarded two free throws with 15 seconds remaining and made one of them good giving the B squad a 45-44 advantage.

Awarded the ball by virtue of the two-minute rule the B squad was stalling away the remaining seconds at midcourt when Tim Fennesse stole the ball and whipped it downcourt to Custer who made through for the faculty.

Student Dick Flynn was top gunner in the game, netting 18 points. Eleven teachers saw action and eight of them scored. Fennesse was high with 13 tallies.

The faculty quintet, when presented before the game, staged a tiring circus before settling down to the more serious job of playing ball. It was apparent to the student partisan crowd that the oldsters had lost their fine edge but they compensated for the lack of polish with some headwork and a lot of luck.

Proceeds from the game are to go into a student welfare fund.

The Jacksonville high school Flyers, intra-mural five, won the all-school championship by downing the Olympians 38-25 in the preliminary.

MOTHER CHARGED WITH MURDER OF BABY SON

Chicago, Jan. 31.—(P)—Mrs. Mary French, 30, was booked by police on a murder charge today in the strangling of the 21 month old son, Arthur.

Police Capt. Patrick O'Connell said Mrs. French signed a statement, admitting she killed the baby yesterday by tightening a diaper or dish towel around his neck. She said she was distracted by the child's crying.

O'Connell declared.

Mrs. French's husband, Eugene, 29, said his wife had been under a doctor's care for a nervous ailment since the baby was born.

ACCUSED OF IMPERSONATING AN FBI AGENT

Springfield, Ill. Jan. 31.—(P)—The FBI announced today that Andrew H. Hardwick, 32, of Decatur, has been arrested and charged with impersonating an FBI agent.

Hardwick was accused of obtaining about \$100 from a fellow employee in a Decatur hotel by claiming to be an FBI agent seeking to obtain information on counterfeit money. Hardwick was arrested by Decatur police last Wednesday, the FBI said.

## A Solid Citizen

John Rhodes

John Rhodes, husky Crimson pivot man, has a knack of staying put, even after he's bumped, when fighting for a rebound. His rugged performance under the basket has turned the tide of several Jacksonville high school hardwood battles this season.

Only a junior, the 6-2, 180 pound youngster will return next season to plague the opposition at center.

## Ashland Downs Host Chandlerville Quintet 61-48

Chandlerville — The Ashland invaders carved a 61-48 victory over Chandlerville's basketball team here last night.

Paul scored 16 points for the winners and W. Woods got 15. Junior Reitzel was tops for Chandlerville, netting 20 markers.

The Ashland reserves won 44-29.

## ARCH WARD TO SPEAK AT NORTH TEACHERS ALL-SPORTS BANQUET

DeKalb, Ill. Jan. 30.—More than 150 varsity athletes will be honored at Northern Illinois State Teachers College Friday at the first annual All-Sports Banquet. Principal address of the evening will be delivered by Arch Ward, known to millions as the sports editor of the Chicago Tribune for the past decade.

Paul E. Harrison, chairman of the Athletic Board at the college, which is sponsoring the affair, has announced that the guests will include several newspapermen, radio broadcasters, coaches, and other persons interested in the world of sports.

J. & L. LISTS EARNINGS

Pittsburgh, Jan. 31.—(P)—Jones and Laughlin Steel corporation, one of the country's half dozen largest steel producers, today listed 1949 net earnings of \$20,961,245, compared to \$31,222,451 in the previous year.

## Cold-Starting Rout Quintet Drops 46-45 Decision To Virginia

Virginia—The Rockets from Rount were surprised by a fighting Virginia quintet, fell behind 16-1 in the first quarter, and consequently dropped a 46-45 tussle here last night.

The Jacksonville club, unable to score early in the game, fell far behind the underdog, but scrappy Virginia outfit when it was unable to hit from the field in the first ten minutes. Routt shot 17 times before connecting.

However, when he warmed up, Rocket A. J. Spreen got hot in a hurry. The one-handed specialist scored 22 points in three quarters and spearheaded a Rocket drive to 25-20 at halftime.

After the rest period, Routt climbed back into the ball game and commanded a 35-32 lead going into the last chapter.

However, the win-hungry Virginia bunch not to be denied its victory and lead by Conner, battled back into the lead and sent Routt home with a one-point defeat.

The loss gave Routt a 19-9 record for the season. It was Virginia's second victory of the year.

The Rout reserves won the preliminary.

The Box Score:

End of a Chapter

By Edwin Rutt

Copyright 1950 by NEA SERVICE, INC.

THE STORY: Soon after taking the job of secretary to the popular writer "Joe Palgrave," who is really Mrs. Muriel Halleck, Alice Pine became a liaison between Muriel and her husband, Brent. Village gossip with Molly Tremayne built up Brent as a sinless and shiftless. However, Alice decided not to pry into private lives. She does, however, take an interest in four-year-old Rick, the adopted son of the Hallecks. On the afternoon off of the maid Stella, Alice plays nursemaid and takes Rick to the beach. There Alice meets Brent, who is arriving. Brent answers her with his arrogant attitude. But Brent insists that she sit down on the sand beside him.

VIII. Alice Pine looked at Brent Halleck almost pityingly. His habitual mockery did not deceive her or, unquestionably, anyone else. It was only a poor camouflage for an inner and esoteric discontent. "We were talking about Rick," Alice reminded him. "So we were. Well, your ideas to the contrary, I'm pretty fond of the little hoodlum. Especially since I'll never—" He stopped, face away from her. "You were right a moment ago, Alice. I brought this up. I shouldn't have."

For over a month Alice Pine had allowed herself to be avidly curious about Brent. But now she was strangely reluctant to continue the longest conversation she had ever had with him. She did not understand the reluctance. It was almost—though the idea seemed incongruous—as if she were afraid of what Brent might say to her. She started to rise.

His hand touched her arm lightly. "Please don't go! You'll be going soon enough, in the—the normal course of events." The remark might have made her more ill-at-ease had he not smiled suddenly. An open smile, free of bitterness and cynicism. It changed the whole character of his face. Momentarily, he looked boyish, even happy.

"I may go sooner than I expect," she said. "Muriel's simply racing through her book." She called to Rick and went that way.

By Galbraith

"She's the best dressed girl in school all right, but the only date I had with her I felt like the janitor!"

away. Her longest conversation with Brent Halleck had left him still an enigma.

IF Brent preferred storminess, that night was cut to his order. By dusk an ominous cloudbank had gathered in the east and thunder muttered distantly. The sound was now a restless drum-colored waste. Alice and Muriel played double Canfield, and Brent read a novel, during an evening in which thunder crept closer. Through the living room windows jagged lightning was intermittently visible, gashing the sky.

Once, after a blinding flash, Muriel shivered. "Brent," she said, "do pull the curtains!"

He gave her a twisted grin. "Afraid? It's nowhere near us yet."

"Do you always have to argue, Brent?" Annoyance crept into Muriel's voice.

Brent got up, pulled window cords. "Now that wasn't much of an argument, was it?"

"But why trouble to say anything?"

"Oh, I'm the talkative type." Surprisingly, Alice shook her head. Brent Halleck certainly extended himself to be difficult.

At last the Canfield game was finished and Alice excused herself and went upstairs.

The lightning and thunder continued an accompaniment to the rain and it seemed as if the wind grew stronger, when at last Alice crawled into bed.

But Alice was tired and the storm did not keep her awake. The full fury of the storm struck after midnight. Alice awakened to a stunning thunderclap and a world gone livid. The lividness vanished as the lightning flickered out. Thunder trailed off in a growling rumble like the voice of a drunken giant lurching away cursing.

For a moment she lay there, taut and quivering. The blast had apparently wrenched her nerves into a knot. Gradually she relaxed, turned on her side. The sharp screams came then. (To Be Continued)

# McClelland Addresses M'Murray Sophomores

The second year students at MacMurray College were formally recognized as having attained the status of sophomores, according to the standards established by the college, at a chapel service held Tuesday morning.

Carol Ronchetto, a member of the class, played the processional and the recessional marches, and Susan LaPier played for the choir and the congregation. The song "The King of Love My Shepherd Is" was sung by the following members of the sophomore class: Rosemary Stark, Dorothy Bierbaum, Joanne Ranes, Grace Yoshioka, Muriel Sheehan, Carolyn Bennett, Marian Quinn, Nancy Carver, JoAnn Folks, Elizabeth Bullock, and Yvonne Mason.

## Two Cars Collide At Intersection; One Driver Held

A Jacksonville man was being held in the city jail last night as the result of an automobile accident which occurred at 3:45 p.m. Tuesday at the intersection of South Clay and East College avenues. Although one of the automobiles was turned over by the impact of the crash, neither driver was hurt.

Sgt. Spreen and Officer Runkel, who investigated the crash, reported that Paul Smith, 230 W. Walnut street, was driving a 1948 Chevrolet west on East College avenue. At the intersection his car was struck by a 1938 Buick driven south on South Clay by Leonard Thompson, 453 Coltra avenue.

## Leaders Attend Scout Roundtable Held Here Monday

Forty scout and cub leaders attended the first scout leaders roundtable held at the Grace Methodist church, Monday night. During the meeting the cub leaders and den mothers met under the leadership of Maurice Moriarty and discussed plans for next month's program. Harry Beisel, cubmaster of Cub Pack No. 113 of South Jacksonville, assisted with the demonstrations.

In the scouting section under the leadership of Lloyd Graunke, H. L. Steelman assisted with demonstrations in map making and leadership. Plans were made to start the scoutmasters' basic instruction course. Plans and ideas for next month's work were discussed.

## Murrayville Club Honors Birthday Of Edna Crouse

Murrayville—The birthday of Mrs. Edna Crouse was observed at the monthly meeting of the Royal Neighbors at the home of Mrs. Fred Simpson Friday evening. Games were played after the business session, and refreshments were served.

Guests were Deputy Mrs. Jean Blackman, Mrs. Theresa Walton, Mrs. Irene Garner of Jacksonville and Mrs. Oliver Jones of Woodstock.

## James E. Jacobs Dies Yesterday

James E. Jacobs of 602 N. West street died at Passavant hospital at 8:30 p.m. Tuesday. He was 74 years old and had been a patient there for about two weeks.

Surviving is a brother, Wallace, of Mason City.

The body was taken to the Cody and Son Memorial Home. Funeral arrangements are incomplete.

# 31,300 At Social Evenings In 1949: Y. Annual Report

The Youth Center of the Y.M.C.A. had 500 members in 1949, including 255 from junior high, 185 from high school and 60 young adults; members of the Y.M.C.A. totaled 106 for boys, young men and men; 71 for girls, young women and women. These figures were given at the Y's annual meeting last week and were compiled by Paul Hartman, executive secretary.

Others serving on the staff of the organization were: Frances Hubbs, treasurer and stenographer; Gail Miller, food service director; Albert C. Phillips, building custodian; and Russell Walton and Jerry Laschinski, program assistants.

The junior high group meets on Monday and the high school members on Tuesday. Wednesday evenings are reserved for special occasions, since the churches of the city prefer that no regular activities take place then. The Coed club of young adults convenes on Thursday, the junior high and high school youth on Friday and the high school and young adults on Saturday.

Forty-two organized groups with a total enrollment of 850 met there 243 times during the year, making the complete attendance 1,741. Included were five clubs and six classes, 21 teams, two special interest groups taking up such subjects as handicraft and tap dancing, and eight boards, committees and councils.

The groups without definite enrollment, which meet five evenings a week for social recreation, reached an attendance figure of 31,300, and the year's attendance on the two playgrounds was 10,000. Special events like skating parties drew 611 students during the period.

Thirty-two volunteer leaders devoted 372 hours of their time to the Y's work. Eight girls and 23 boys stayed at 3 camps for 284 camper days altogether; and 30,246 individual food sales were held during the year.

Mrs. Effie E. Bush, formerly of Mt. Sterling, Ill., died Tuesday afternoon at 830 West College avenue.

She was born in Brown county, Dec. 21, 1880, the daughter of William S. and Mary Perry Ward, and was united in marriage with Earl R. Bush in October 1902. Mr. Bush preceded her in death.

Surviving are one daughter, Miss Bernadine Bush of this city, and two brothers, Sherman R. Ward and William Ward both of Mt. Sterling. One sister preceded her in death.

Mrs. Bush was a member of the Central Christian church.

The body was taken to the Williamson Funeral Home and will be removed to the Rounsford Funeral Home in Mt. Sterling early Thursday morning where services will be held Friday afternoon.

Burial will be in the Mt. Sterling cemetery.

Friends Arrange Birthday Party For Russell Fox

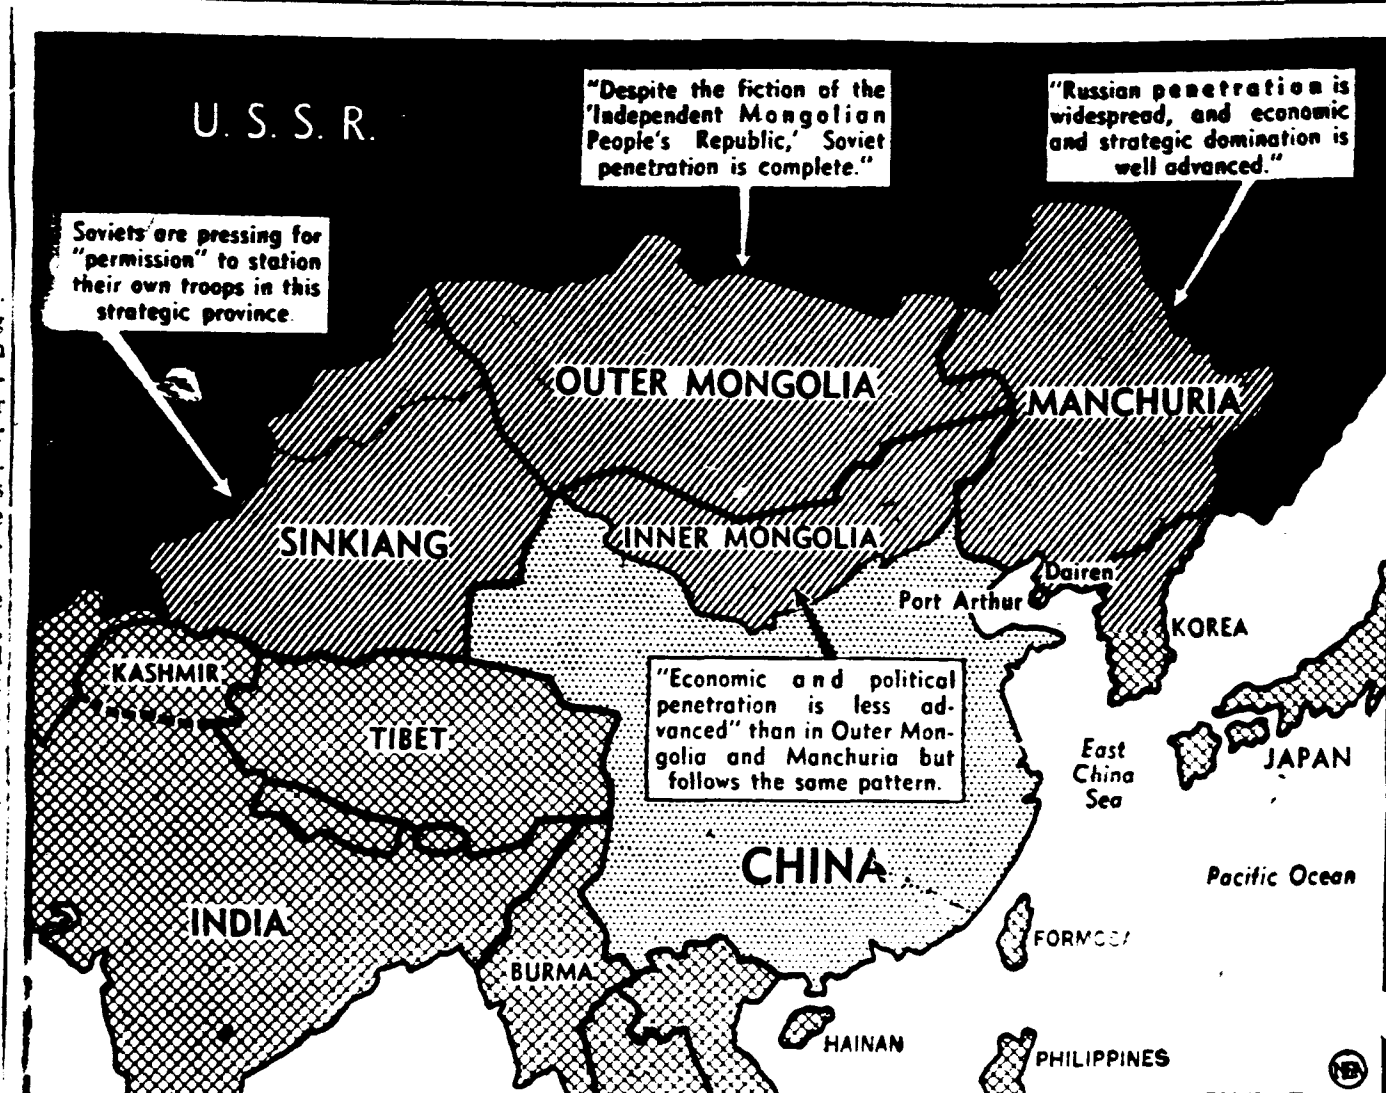

Manchester—Russell Fox was pleasantly surprised last Sunday evening when a group of friends from the Pleasant Hill Baptist church met at his home in honor of his 42nd birthday. The evening was spent playing bistro, carrom and various other games.

Music was furnished by Harry Kendall Jr. and Willis Chapman with their guitars. Prizes went to Mrs. May Doss, Mrs. Jack Carter, Mr. Claude Day, Gail Day and Mrs. Albert Monroe.

Among the 60 guests attending were Mr. and Mrs. Jim Jefferson and family, George Fox, Lloyd L. Fox, Mr. and Mrs. Virgil Doss, Mr. and Mrs. Ray Dawdy and sons, Mr. and Mrs. Harry Kendall, Sr., and daughter, Mr. and Mrs. Claude Day and family, Mr. and Mrs. Frank Barrow and daughter, Mr. and Mrs. Jack Chester and family, Mr. and Mrs. Willis Chapman and daughter.

Mr. and Mrs. Verlin Summers and son, Rev. Albert Monroe and family, Mr. and Mrs. Harry Kendall, Jr., and daughter, Mrs. Verna Taylor, Mrs. Hazel Posey, Miss Rose Thompson and Howard Bushnell and Russell Fox, the guest of honor.

Mr. Fox received many cards and gifts. Several delicious cakes were baked by Mrs. Harry Kendall, Jr., and served with salad, coffee and chocolate.

**BILL OF PARTICULARS**—Answering Russia's angry denial, the U. S. State Department backs up Secretary Acheson's recent charge that Russia is extending control over rich slices of North China (diagonal shading) by giving an area-by-area picture of the situation. Taking Manchuria as an example of the Russian plan for domination, State points out: (1) Russia is "extending" control over railroads in that province. (2) Soviet troops occupy key ports of Dairen and Port Arthur. (3) Sixty per cent of farm produce is shipped to Russia. (4) Soviets operate key industrial and power plants, coal and gold mines, and the only civil airline. Type boxes on map are quotations from the State Department's detailed charges.

## Student Recital To Be Presented At College Hall

A recital by pupils in the Junior department of the Illinois Conservatory of Music will be given in Music Hall, MacMurray College, at 8 p.m. Thursday, Feb. 2. This is the second in a series.

The public is cordially invited to the program, which will include selections by piano pupils of Miss Myrtle Larrimore, Mrs. Elizabeth Blackburn Martin and Mrs. Mildred Isle and violin pupils of Mrs. Clara Moore Nelm.

## Virgie R. Wheeler, Longtime Resident Of City, Succumbs

Mrs. Virgie Rose Wheeler, a resident of this city for the past 31 years, passed away Tuesday at 3 a. m. at her home, 319 Anna street. Death followed a short illness.

Born in Missouri, Mrs. Wheeler was the daughter of Wesley and Lucy Rose. She was united in marriage with Hurley Wheeler and to this union were born six children, three of whom are deceased.

Surviving are two daughters, Mrs. Stella Lewis of this city and Mrs. Bernice W. Jackson of Peoria, who was with her mother at the time of her death; a son, Paul Wheeler of this city; one grandson, Paul Williams, stationed with the air force in Florida; a granddaughter, Mary Fulton of Chicago; three great grandchildren; two brothers, Bennie Rose of Paynesville, Mo., and Tommy Rose of St. Louis; and a sister, Mrs. Susie Scott of Elsberry, Mo.

The body is at the Cody and Son Memorial Home. Funeral arrangements are incomplete and will be announced later.

## Patterson Party Held On Birthday Of Melita Hicks

Patterson—Melita Hicks, daughter of Mr. and Mrs. Richard Hicks, south of here, was honored Friday afternoon, with a party given in observance of her fifth birthday.

Those present were Carolyn and Marilyn Lemon and their mother, Mrs. Mabel Lemon. Carol and Junior Kemp and their mother, Mrs. Audrey Kemp, Ruth Ann and Ronnie Vestel and their mother, Mrs. Nedra Vestel, and Donna Marie Shive and mother, Mrs. Ruth Shive. Her grandmother, Mrs. Norville Hicks, and aunt, Mrs. Norma Wald, were also present.

Fruit salad with whipped cream, angel food cake, cup cakes and cocoa were served to the guests.

## Rev. John Collins Wins First Place At Toastmasters

Fifty-nine toastmasters and guests were present at the banquet and speech contest, in which Rev. John W. Collins won first place. At the Dunlap at 6:30 p.m. Tuesday, the judges, Dr. Victor H. Sheppard, Dallas M. Schultz, John Hadden, toastmasters; Miss Fernie Goddin of the J.H.S. speech department, and Miss Isabel Culley, a toastmistress, were introduced by Roy E. Warner, president.

Rev. Joseph G. Kromenaker gave the invocation. Dr. L. K. Hallock and Ted Fairburn were timekeepers, and scorekeepers were Roscoe Godfrey and J. Franklin Eiler. Ralph Wilson acted as toastmaster for the evening and introduced the speakers.

Richard Godfrey treated the topic of "Parental Delinquency." Frank Smith's subject was "Adam in the Looking Glass," and Louis Katz spoke of "Barking Dogs." "The Essence of Democracy" was Roy E. Warner's address, and Dr. Gerald Richardson talked on "Credentials of Democracy."

Dr. J. Allen Biggs enlarged on the subject of "The Great Workshop." Rev. John W. Collins on "The Great Sacrifice." Howard G. Brown's speech was on "Three Thirds."

The toastmaster introduced the presidents of the two local Toastmistress clubs, and each president presented her club members. There were 15 toastmistresses present altogether. Mrs. John Doyle is president of the Entre Nous club, and Mrs. Doris Biggs is leader of the Toastmistress club.

Dr. Victor H. Sheppard made a few remarks concerning the contest, after which Rev. John W. Collins was announced the winner. J. Allen Biggs being second and Roy E. Warner third. Roy Warner, the winner of the 1948 plaque, and Ted Fairburn, 1949 victor, presented the trophy to Rev. Collins.

An international contest is to be held in Washington state.

## To Collect Funds To Repair Organ At Centenary

Roscoe Godfrey announced that a campaign was now under way at Centenary church to repair the organ. The present organ was installed and dedicated when the Rev. A. Frank Hubbert and Everett Hester, county commissioner; Lyndell Dietterle, senatorial committeeman.

The present value of the church organ is 35,000 dollars. The cost of the necessary repairs will be an estimated 3,000 dollars. The campaign will get underway with the first of February and will last until Feb. 5th.

Mr. Godfrey stated that with the necessary repairs made the organ will give the church an additional 50 years of service.

## Cass Home Bureau Unit Leaders Hear Virginia Dentist

Virginia—Dr. H. A. Snow of Virginia, prominent Cass County dentist, Tuesday conducted a training school on "New Methods in Care of Teeth" for local leaders from each Cass County Home Bureau units.

Those attending displayed unusual interest as Dr. Snow explained the structure and composition of the teeth, told of fundamentally accepted reasons for tooth decay and gave practical suggestions to aid individuals in helping prevent decay of their teeth.

This lesson will be the minor lesson given in all Home Bureau units in Cass County in February.

Mrs. Mary S. Ligon, University of Illinois home economics specialist, Monday conducted a school on "How to Present Subject Matter More Effectively." Lesson leaders from each of the 15 units in Cass county attended. During February each group will be guest leaders at another unit.

Those attending were Mrs. M. G. West and Mrs. Geo. R. Morrison, Arenzville; Mrs. Karl Hager, and Mrs. Roland Whitman, North Ashland; Mrs. J. D. Reed and Mrs. Albert Kuhlman, Bluff Springs; Mrs. Leo Devlin, Jr. and Mrs. Joe O'Hara, Philadelphia; Mrs. George Huffman, Monroe; Mrs. Harry Gollmer, Mrs. Fred Evers, Miss Sarah Stultz, Newmansville.

Mrs. Gilbert Launer and Mrs. Otto Loeffler, Hickory; Mrs. Geo. Maurer and Mrs. Floyd M. Leonard, Shiloh; Mrs. Edwin Treadway, South West; Mrs. Mike Meyers and Mrs. Leland Peck, Beardstown; Mrs. D. A. Newman, Virginia Night Unit; Mrs. Roy Monroe and Mrs. Walter Harding, Ashland; Mrs. Bennie Barnett, Mrs. O. W. Deichman, John Dour, Virginia; Mrs. John Gurnsey and Mrs. Granville Smith, Panther Creek; Mrs. Virgil Alcorn and Mrs. Forrest Largent, Chanderville.

**4-H Club Leaders To Meet**

All leaders of home economics 4-H clubs in Cass County will meet at the Home Bureau Saturday afternoon, Feb. 4, at 2 p.m. for their first training school of the year and to receive material for old projects and 2 new projects that are being offered this year.

Miss Irma Cottingham, district 4-H club adviser, will be present to conduct the school. She will be assisted by Mrs. Audrey Carls, Cass county youth assistant and by the county 4-H club committee composed of 1 member from each Home Bureau unit. Mrs. Audace Herzberger is chairman of this committee.

Farm Adviser E. F. Lamont, Home Bureau President Mrs. Floyd M. Leonard, and Mr. Leonard, Farm Bureau President Edw. L. C. Carls and Mrs. Carls and a number of other Farm and Home Bureau members from Cass County will attend Farm and Home Week at the University of Illinois Feb. 6-10.

## Two Democratic Primary Contests In Scott County

Winchester—The following list of petitions filed in the April 11 primary election has been announced by County Clerk Bert Willis.

There are no Republican contests. On the Democratic side, however, George H. Cowhick, Jr. and R. Maxie Crews, both seek the nomination for the office of county clerk and Everett Hester is running against County Commissioner Frank Hubbert.

**Republican**

Bert Willis, county clerk; George Leitzer, sheriff; Donald W. Dugan, treasurer; Barbara Redshaw, sup. of schools; Everett H. Brockman, county commissioner; Vernon A. Nortrup, constitutional committeeman.

**Precinct Committeemen**

James E. Clanton, Alsey, William Wood, Bloomfield; Homer Grady, Exeter; Murrell K. Smith, Glasgow; Harvey Bridges and R. N. Robson, Manchester.

Vern H. Smith, Merritt; Irvin Bently, Naples; Gus Albers, North Bluffs; Martin Allen Peak, E. Winchester; Herbert Dill, N. Winchester; J. Ralph Peak, S. Winchester.

**Democrat**

Byron E. Koch, county judge; George H. Cowhick, Jr. and R. Maxie Crews, county clerk; Henry Likes, sheriff; Hester L. Korty, sup. of schools; Ralph M. Hawk, treasurer; Frank Hubbert and Everett Hester, county commissioner; Lyndell Dietterle, senatorial committeeman.

**Precinct Committeemen**

Delmar Gages, Alsey; Elmer J. Rueter, Bloomfield; George Berry, Exeter; Max Smith, Glasgow; H. O. Hudson, Manchester; Len Lankford and Jeff Briggs, Merritt.

Leonard H. Thomas, Oxville; Raymond Tankersley, Sandy; August Lomin, N. Bluffs; Charles Morris, S. Bluffs; Elliott K. Moore, and Ivan J. Hanks, East Winchester; Douglas Smothers, North Winchester; Ernest Jameson, South Winchester.

Mrs. Esther Cunningham left Monday for Aberdeen, S. Dakota. She was called there by the illness of her daughter, Mrs. Robert Davies.

Dr. and Mrs. Bailey and family and Mrs. W. B. Clark returned Saturday from a two weeks trip in Florida.

Miss Anna Marie Ring and friends, Miss Mary Ruth Austgen of Calumet City, and Miss Elizabeth Ludweg of Pittsburgh, Pa. were week end visitors with Mrs. Elsie Ring. They returned to St. Francis College in Joliet, where they are in their senior year.

Miss Joan Graybael is visiting her parents, Mr. and Mrs. Glenn Graybael. Miss Graybael is attending the University of Illinois.

## Concord Methodist Women's Society Meets At Church

Concord—Mrs. E. M. Harmon, the president, presided at a recent all-day meeting of the W.S.C.S. of Concord Methodist church.

The morning lesson was "Ecumenical church" from the missionary study book led by Mrs. Paul Hess. Following this, a discussion was held and scripture was read from John 17. The morning session was dismissed by repeating the Lord's prayer.

At noon a covered dish luncheon was served. Hostesses were Mrs. Robert Nickel, Mrs. Paul Hess and Mrs. John Brown.

The afternoon session was opened by the singing the hymn, "The Christian Life." Devotions were led by Mrs. Robert Nickel, whose topic was "The Whole of Love Is Our Answer." During the business session, it was decided to entertain Mrs. Stubbs, director, and boys of Chad-dock Boys School, Quincy, Illinois.

The club also decided to serve a luncheon to the guests to be present on Race Religion Sunday, Feb. 12. The committee in charge will be Mrs. Arthur Yeck, Mrs. Farrel McGinnis and Mrs. Velva Beddingfield.

The committee for Hospital and Homes and other club members were extended an invitation to visit Chad-dock Boys School and Sunset Home in Quincy.

"The Whole Of Our Love" was presented by Mrs. John Brown, program leader. This was divided into four parts: Adoration, Concentration, Supplication, and Realization.

Mrs. Bea Wegeholt attended a convention of House of Stuart at the Leland Hotel in Springfield Wednesday.

William Hanning has returned to the home of his daughter, Mrs. John Wells, after being a patient at Passavant hospital.

Mrs. Sarah Nortrup is ill at her home and is being cared for by her daughter, Mrs. Ethel Weeks, and sister, Mrs. Susan Baker.

Mr. and Mrs. R. E. Nickel and Mr. and Mrs. Robert Nickel left last week for a three weeks vacation in California with friends and relatives.

## TO HOLD JAM SESSION AT Y. THURSDAY NIGHT

Miss Shirley Hocking, president of the Coed club, announces that a Dixieland concert will take place Thursday night at the Youth Center, and all young adults 18 or over, married or single, are invited. Although there will be dancing anyone wishing to just listen may do so.

The Y. will open at 8 p. m. and close at 11 p. m. the musicians are to play from 8:30-10:30.

## ATTENTION FARMERS

John Deere day Feb. 4th, 10:30 A.M. at Jacksonville high school. The whole family is invited. Lunch at noon.
